

SLQS UAE CPD IN COLOMBO

Writing of Claim Reports Related to Extension of Time

The SLQS UAE arranged a CPD event on 24th July, 2013, at the ICTAD Auditorium in Colombo, as part of our CSR to our Motherland, the soil from which we received the courage and nourishment to serve the world. The topic of the CPD was 'Writing of Claim Reports Related to Extension of Time' and covered the identification of delay events and the contractual background for such delays, establishment of extension of time entitlement, justification and defense of such claims, compilation of claim reports and the Quantity Surveyor's role within the claim preparation and evaluation procedure.

Mr. Ajantha Premarathna well delivered the CPD session in an interactive semi-workshop mode. The last hour of the three hour session was dedicated to a real-time question and answer session. IQSSL President Mr. Hemantha Aponsu and Mr. Thilak Kolonne chaired

for the penal discussion. Prof.Mrs. Chithra Weddikara, the current President of the Sri Lankan Institute of Architects, and the writer shared their experience during the discussion.

The IQSSL assisted the SLQS UAE by providing publicity through the professional network, in order to disseminate the message of this CPD to Sri Lankan Quantity Surveyors and other industry professionals. 220 participants pushed the capacity of the auditorium to its fullest for this CPD and requested the SLQS UAE to provide similar type CPD at least quarterly basis. The feedback survey among the participants says that "very effective CPD event conducted in Colombo in the recent past".
