

Educational Charity Event in 2014

In line with the SLQS-UAE commitment towards the motherland, Welfare Programme for 2014 was opted to provide the necessary assistance to selected schools in Sri Lanka. Accordingly, SLQS-UAE Welfare Sub-Committee identified “Pahala Diggala Primary School, Dewahuwa ” and “Walamitiyawa Primary School, Galewela” based on the following requests received from the Principals of the said schools:

Upon the receipt of the above requests, the investigation took place in order to ensure the detailed requirement of the students. It was identified the requirements of the students are over and above the uniform and stationery, particularly, Pahala Diggala Primary School, Dewahuwa requiring a school building for their Grade One students. However, the assistance of SLQS-UAE was limited to the availability of funds.

Finally, the welfare event was conducted on 6th July 2014 at the premises of “Pahala Diggala Primary School, Dewahuwa” and “Walamitiyawa Primary School, Galewela” with the participation of SLQS-UAE representatives. Accordingly, school uniforms including shoes, bags, lunch boxes, drink bottles and stationery including exercise books, pens, pencils and erasers were distributed among 91 students.

SLQS-UAE was able to donate a steel cupboard for the school library including a printer. SLQS UAE also extended its appreciation to all 10 teachers of both the schools for their unconditional commitment and efforts to bring those children up.

School principals, teachers, students and their parents of both schools were much delighted about the event and have appreciated the commitment of SLQS-UAE.

All SLQS-UAE members are blessed with the happiness of the above school students. It is a pleasure to inform you that as a result of SLQS-UAE initiative, the required school building also is underway by others.
